FRANCO GASTON TRENADO JACQUET

PROFILE

I'm 21 years old, I'm currently interested in getting a first job related with the Front End discipline.

I've learned technologies such as HTML5, CSS3, Python, Django, git usage.

EXPERIENCE

- **Python Development**

  - E-Commerce | CoderHouse

    - Smart Phones e-commerce, implementing CRUD, from the Purchase view, you were able to create a user, modify, delete, and give it permissions.

    - Also you have the Purchase view, where you were able to post a product, with the same CRUD design, and those products were showed in the Buyer view.

    - This was made using Python with the Django framework, SQLite3.
